

HIGH PERFORMANCE OIL ANTI SMOKE ÖLZUSATZ ANTI-RUSS

Product properties:	Innovative formula which significantly reduces exhaust smoke and soot build-up for all petrol, LPG and diesel powered engines. Ideal for vehicles with high oil consumption. The product ensures optimal lubrication of all moving parts. The high viscosity prevents oil from entering the combustion chamber. Therefore providing a clean and powerful combustion with minimal smoking and soot build-up.
Application fields:	For use in all petrol, diesel and LPG powered engines.
Application:	Add to oil system. We recommend that the oil system is cleaned with powermaxx Oil System Cleaner (33018) before using this product. This product is compatible with all commercially available oils.
Consumption:	300 ml is sufficient to treat 5 – 6 litres oil.
Reaction time:	Works during operation.
Sensitive to frost:	no
Available sizes:	300 ml (33182) Other container sizes are available upon request.
