

HIGH PERFORMANCE POWER STEERING NANO PROTECT

- Product properties:** Innovated formula based on latest Nano-Technology. The highly effective anti-friction protective film protects all the internal surfaces of power steering and differentials against wear and tear.
The highly efficient formula ensures the safe and smooth operating of power steering and eliminates unpleasant "rattling" noises.
Also suitable for sports cars.
- Applications:** Power steering and differentials
- Directions for use:** Before filling up this product, drain the equal quantity of oil.
- Notice** Keep out of the reach of children. If swallowed, seek medical advice immediately and show this container or label.
- Consumption per vehicle:** 100 ml sufficient to treat 1.5 - 2 litres oil.
- Frost susceptibility:** no
- Available sizes:** 100 ml can (33188)
Other container sizes are available upon request.
