

SUPRA X POLISH AEROSOL

HIGH PERFORMANCE STAINLESS STEEL CARE

Product properties:	High performance care and cleaning for stainless steel surfaces. One step cleaner which cleans, preserves and protects in a single operation. The protective film repels dust and water and reduces the effect of fingerprints on stainless steel surfaces. The surfaces are long lasting and durable protected.
Areas of application:	For professional use in kitchen and sanitary facilities. Suitable for stainless steel, plastic surfaces and much more in the household as well as automotive field. The product is non-toxic and odourless.
Instructions for use:	Shake well before use. Spray the product evenly onto the pre-cleaned and dry surface and polish in with a dry and soft cloth.
Note:	Pressurised container. Do not expose to direct sunlight and avoid temperatures exceeding 50 °C. Do not pierce or burn even after use. Do not spray into flames or onto glowing objects. Keep away from sources of ignition. Do not smoke! Keep out of the reach of children!
Consumption per application:	150 – 250 ml depending on the size of surface
Working time:	none
Frost susceptibility:	yes
Material Contents:	surfactants, wax, propane/butane mixture
Available container size:	250 ml, packing size: 12 per box
Article No.:	22074
